

After 13 years of training at the University of Michigan in Ann Arbor (undergraduate school, medical school, residency), I completed my Orthopaedic Surgery training at the Hospital for Special Surgery in New York (ranked #1 in US news for Orthopaedic Surgery – [www.hss.edu](http://www.hss.edu)).

Areas of expertise include:

Arthroscopic Surgery of the Knee and Shoulder

Anatomic Anterior Cruciate Ligament Reconstruction (ACL)

Posterior Cruciate Ligament Reconstruction (PCL)

Medial Collateral Ligament Reconstruction (MCL)

Posterolateral Corner Reconstruction

Revision Ligament Reconstruction

Meniscal Repair

Pediatric Ligament Reconstruction

Cartilage Repair and Replacement

Biologic Joint Resurfacing

Shoulder Stabilization and Labral Repair

Anatomic and Reverse Shoulder Replacement

Partial and Total Knee Replacement

Arthroscopic Rotator Cuff Repair

Ultrasound Guided Injections (PRP, viscosupplementation, corticosteroid, etc.)

Osteotomy

Fractures
